

## IMAGE RIGHTS

Authorization to use a person's image rights

I hereby authorize SPIE to use my team's images (as well as individually team member's image) in its communications media (written material, brochures, billboards, posters, press articles, audiovisual and electronic media, websites, social networks).

It being specified that such use shall be exclusively for non-profit purposes and for training and/or information purposes.

It is also expressly forbidden to use the images in a way that could harm private life or reputation, and to use these same images in any medium of a pornographic, racist, or xenophobic nature,

This authorization is non-transferable and may be revoke at any time.
