# SPIE acquires PMS Sicherheitstechnik + Kommunikation GmbH in Germany

**Ratingen, April 13<sup>th</sup>, 2017** – SPIE, the independent European leader in multi-technical services in the areas of energy and communications, has successfully completed the acquisition of PMS Sicherheitstechnik + Kommunikation GmbH (“PMS”) in Germany, on April 6<sup>th</sup>, 2017.

PMS, with its head office located in Dresden, was founded in 1991 and covers the entire value chain in the area of security and communications, from design and planning to installation and maintenance of fire detection, burglar alarm and access control systems, as well as smoke and heat extraction systems. In 2016, PMS generated approximately €3 million in revenues with 24 high qualified employees at its Dresden and Chemnitz locations.

PMS’ Managing Director, Dr Rolf Pieper, is confident about the transaction: *“PMS Sicherheitstechnik + Kommunikation GmbH is in good hands with SPIE. Both companies have built longstanding partnerships and customer relationships, and enjoy strengths in the service and maintenance business.”*

Markus Holzke, Managing Director of SPIE GmbH, commented: *“We are very pleased with this acquisition. With PMS’ expertise, services and skilled employees, we are strengthening our service and maintenance business in the area of security and communications technology in the greater Dresden area.”*
